

The Role of Information and Knowledge within Integrated Coastal Management

Donna G. Curtis & Melanie G. Wiber
 People in Places – Coastal CURA
 Halifax, Nova Scotia
 June 2011

Coastal CURA

Integrated Management

- Property rights
- Community based management
- Co-management
- Integrated Management

...an inclusion of the existing elements surrounding the social ecological system in question such as:

- political and legal jurisdictions
- ecosystem parameters
- use and special conflicts
- socio-economic and cultural needs
- knowledge systems

Information & Knowledge

- Information
- Knowledge
- Fluidity of LEK/TEK
- Rigid Science Systems

Knowledge Capture

- Why Science?
- Capture of Knowledge
- Rendering technical (Li 2005, 2007)
- Switch Points (Rose 1999)

Malpeque Community

Fishing

Farming

Industry

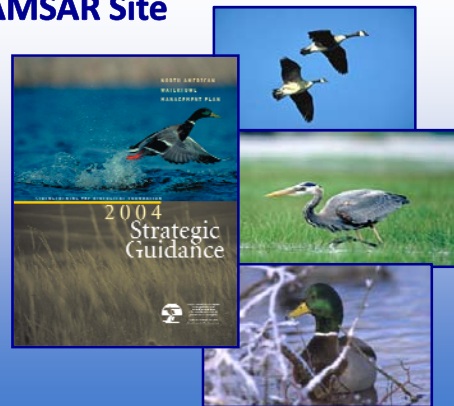

Tourism

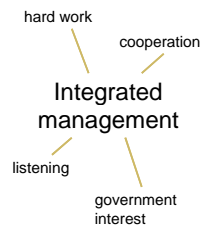

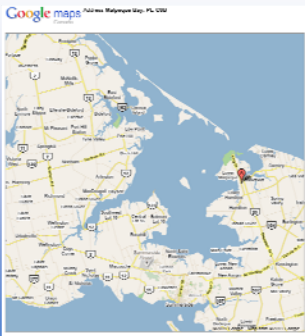

Aquaculture

RAMSAR Site

Mind Mapping

Reality

- Oh my stars!
- Planning process divided
- Process that repeats the past
- Feeling of exclusion

Next

- Controlling power
- Building trust to participate
- Empower participation
- Application of knowledge
